From Hamburg Central Station, southern end (Hauptbahnhof Süd), take the U-Bahn (underground train), U3 (yellow) line, in the direction of Schlump/Barmbek, as far as 'St. Pauli' station (9 minutes / 6 stops). There, make sure to take the 'Millerntorplatz/Reeperbahn' exit. Cross the road at the junction, turning into Zirkusweg, then walk straight ahead to Atlantic Haus.

An alternative: take the S-Bahn city train (S1, S2, or S3 line) as far as 'Landungsbrücken' station. Once there, take the 'Landungsbrücken' exit. Cross the street and walk up the long set of stairs, called 'Willi-Bartels-Treppe,' towards 'Hotel Hafen Hamburg.' Pass the hotel; turn left when you reach the street. Then it is just 30m to Atlantic Haus.

We recommend a taxi to get here from the airport. It usually just takes some 25 minutes.  
You may also take the S1 city train in the direction of 'Wedel' or 'Blankenese.' Exit at 'Landungsbrücken' station. Walk over the bridge and turn right. Cross the street and walk up the long set of stairs towards 'Hotel Hafen Hamburg.' Walk past the hotel and turn left at the street. Then it is just 30m to Atlantic Haus.
